A Lasting Legacy

GFWC
Temple Terrace Woman's Club

When a family member or friend passes on, loved ones often wish to leave a lasting legacy that will honor the memory of the person they held dear. Making a gift that will help this generation – and future generations – of our Temple Terrace citizens is a wonderful way to celebrate and cherish your loved one’s memory. A gift to the GFWC Temple Terrace Woman’s Club Foundation can do just that.

Tribute gifts given in memory of your loved one can be designated to a variety of programs and projects hosted by the GFWC Temple Terrace Woman’s Club. From Education, to Public Affairs, to Home Life, to Conservation, to the Arts, to International Affairs dollars donated will ensure the Departments projects and programs can continue on serving the needs in our community. In addition, you may choose to make an unrestricted gift allowing GFWC Temple Terrace Woman’s Club to determine where your funds are needed most.

Your circle of friends and family may also Honor your loved one’s memory by making a gift to GFWC Temple Terrace Woman’s Club in lieu of memorial service floral arrangements. Giving envelopes are available from your funeral director.

Tribute gifts link the past, present and future. Your loved one can be remembered with a gift that is used to help serve others in our community today, as well as secure our community’s future.

In addition to tribute memorial gifts, members & friends may choose to donate for these varied reasons:

- **Celebrations** – Make a contribution to commemorate anniversaries, birthdays, special successes in a person’s life.
- **Family Tradition** – As members have so generously given of themselves, the foundation serves as a tradition families can join in and participate in.
- **Yearly Annual Planned Giving** – Club members host a designated period each year to promote the Foundation.
- **Tax Benefits** – Income tax or estate tax savings may be a motivating factor.
- **Social Responsibility** – Many see a gift to the GFWC-TTWC as a way to help society in general, and our community specifically.
- **Philanthropy** – Individuals want to share wealth. They believe in the projects and work of the GFWC-TTWC, and see it as an opportunity to benefit many charities.
